No.TISS/NIHR-GEMMS/Mar/2025/13

17th March 2025

The Tata Institute of Social Sciences (TISS), Mumbai, a premier Research and Teaching University in Social Sciences, invites applications for a vacancy for an international multi-country project on "Disrupting the Cycle of Gendered Violence and Poor Mental Health among Migrants in Precarious Situations." The project is recruiting for the following position:

Position: Community Field Researcher

Number of Positions: 2 (Full-time)

Duration: 6 months, extendable based on project requirements

Remuneration: 40,000-45,000 (based on experience)

Job Profile:

- Community based fieldwork and data collection using interviews
- Transcribe and translate interviews (Hindi or Marathi to English)
- Assist in basic level thematic analysis, writing and report generation
- Work closely with the GEMMS team to ensure efficient and accurate data collection, analysis and documentation

Required Qualifications and Experience:

- Master's degree in Public Health, Development Studies, Social Work, Psychology, Mental Health, or any Social Sciences from a UGC- recognized university
- Minimum 1-2 years of experience in research projects related to migration, health, mental health, and gender-based violence
- Experience in primary qualitative data collection and qualitative analysis. Previous experience in qualitative research, transcription, and translation is preferred.
- Proficiency in writing and communication skills in English, Hindi and Marathi
- Proficiency in Word processing tools like MS-Word or Google Docs
- Familiarity with qualitative data analysis tools (e.g., NVivo, Atlas.ti) will be preferred
- Willingness to travel and collect data in community settings

Preference will be given to candidates based in Mumbai. The role requires candidate to work in person from TISS office.

Other Terms and Conditions:

- Candidates must share the names and contact details of two referees
- All positions are contractual
- The Institute reserves the right to the final selection of candidates.

Instructions to Candidates:

- Candidates are required to send their CVs to the following email IDs:
gemmsresearch@gmail.com
- Candidates must mention the name of the position in the subject line.
- The **last date** for application submission is **29th March 2025**.
- Eligible and shortlisted candidates will be notified about the date and time for the online interview.
