Advertisement for Local Partner

Centre for Science, Technology & Society, School of Habitat Studies
Tata Institute of Social Sciences (TISS), Mumbai

The Centre for Science, Technology & Society of Tata Institute of Social Sciences, Mumbai, is looking for one local partner to assess the socio-economic impact of the recognised individual forest rights in the Raigarh district of Maharashtra.

Responsibility

The local partner will undertake a detailed survey of 100 IFR recognised scheduled tribe households in the Pen Taluka of Raigarh District, Maharashtra. The local partner must submit a comprehensive report on the socio-economic benefits of the recognised IFR claims and the critical challenges for the recognised IFR titleholders.

Duration and Remuneration

The duration of the assessment work is from 16th February to 31st March 2022

Total Remuneration: Rs. 1,20,000

Eligibility

Research institutes or NGOs working on forest rights and governance in Maharashtra.

How to apply?

The interested research institute or NGOs must submit an online application at tissrrrg@gmail.com on or before 8th February 2022. The application must include a detailed description of the organisation and its work on forest rights in Maharashtra. Only the shortlisted research institute or NGOs will be informed about the interview date by 10th February 2022.
