About TISS: Tata Institute of Social Sciences (TISS) was established in 1936 and is a deemed university fully funded by the University Grants Commission, Government of India. TISS offers over 50 Master's Degree programmes from its Mumbai, Tuljapur, Guwahati and Hyderabad Campuses. Masters' programmes are offered in a range of socially relevant inter-disciplinary areas. TISS is a research university with M. Phil. and Ph. D. programme and basic and applied research in a range of areas. A high degree of freedom and autonomy shape the positive work ethos and creativity in the Institute facilitating strong linkages between education, research, field action and Dissemination.

iCALL Psychosocial Helpline; a field action project of the School of Human Ecology at the Tata Institute of Social Sciences Mumbai, provides counselling, support, information and referral to individuals in emotional and psychological distress, over the telephone, chat and email.

iCALL in partnership with the government of Madhya Pradesh, Rajasthan and UNFPA undertakes two projects, which aim at strengthening capacities of counsellors working within the state's SSK & RKSK counselling centers at Madhya Pradesh and Rajasthan. The third project is another capacity building initiative of health staff posted at health and wellness centers on basic counselling skills, in Madhya Pradesh under the Aarogyam scheme of the Government of India. All three projects are in different stages of completion. iCALL is inviting applications for the post of Senior Research Officer.

Job profile – Senior Research Officer

The candidate shall report directly to the Programme Coordinator at iCALL, and shall assist with the following:

- Program management of iCALL's projects with the UNFPA.
- Developing tools, undertaking data collection and developing reports on the basis of the same
- Managing a team of research assistants and mental health trainers-cum-counsellors working under the project.

- Coordinating with government officials to understand the requirements and execute plans accordingly
- Developing & overseeing rich media content to be imparted over an e-learning platform
- Developing content in Hindi and supervising content development
- Designing and delivering trainings and conducting workshops on counselling and mental health
- Managing administrative responsibilities related to the project with TISS
- Be willing to work in flexible hours and to travel to Madhya Pradesh and Rajasthan on a regular basis

Desirous candidates should:

- Possess a full-time Master's Degree in Counselling or Clinical Psychology (MA/Msc) or equivalent from a recognized and reputed University
