

Name of the Post : E Module Development Consultant of counsellors' training

Organisation : TISS, Saksham *Prerak*

For the location : To be based in Delhi

Email : recruitment.sakshamprerak@gmail.com

Remuneration CTC : Rs.1Lakh/- per month.

Duration : 3 months

Last Date for application: January 27th , 2019.

Saksham *Prerak*, in collaboration with the National AIDS Control Programme

(NACP) will build capacities of 9000 HIV counselors+30000 Auxiliary Nurse &

Midwife (ANM) across India. Tata Institute of Social Sciences will establish 10

Regional Training Units to conduct these training programmes. Each regional

training unit shall cover 3 to 4 states. Trainings would be conducted at multiple

locations.

Saksham *Prerak*, TISS, is mandated to enhance human resources in address the nation's 90-90-90 commitment towards "ending AIDS by 2030" as a part of the Sustainable Development Goal (SDG). All Counsellors of NACO will undergo certified training for clinical / technical knowledge and skills updates. NACO and TISS will update the Saksham Induction Training module (developed in November 2014) and develop modules for virtual training amounting to 3 days on theory & knowledge and 4 days' of class room training for attitudes and skills.

One of the mainstay of Saksham expertise is the counsellor's training. This project has an added modality of development of virtual training platform. This announcement is to select a content expert who will be engaged to develop the content for these modules regarding HIV / AIDS Counselling and specifically, to detail the theoretical & knowledge contents that will be used to design an online training program for Counsellors in ICTC, STI and ART Centres across India. The contents developed through this contract will seamlessly connect the knowledge and skill based contact training of the counsellors.

Scope of Work: Consultancy for the development of counsellors' training content under NACP

Scope of Work

- a) Gather and validate information regarding the HIV/ AIDS epidemic in India, the various programs and services provided by MoHFW and NACO, human physiology & psychology pertaining to HIV/ AIDS/ STI infection.
- b) Translate the information into modules of knowledge that will inform an online training program for counsellors and Develop methodologies suited for the online dissemination.

The consultant is expected to review existing policies, manuals and operations guides according to NACP to support the enhancement of the counselling services rendered there under. The contents should clearly state best practices expected of the NACO and partners and align with the responsibilities of counsellors under varying programs. The consultant can leverage the methodology and resources assigned by *Saksham Prerak* in the past for the present assignment.

Qualifications:

- Minimum Desired Qualification: Master in Public Health / Master in Health Administration/ Master of Social Work (Health & Mental Health or Public Health)/ M.A. (Counselling or Clinical Psychology) & disciplines allied to health.
- Other Requirements:
In-depth experience of HIV counselling, relevant training experience, developing content and SOP for counselling services in the HIV/ AIDS and SRHR sector. Experience of engagement with Govt. Agencies such as NACO, NHM, SACS & other health societies etc. Will be an advantage.
