

TATA INSTITUTE OF SOCIAL SCIENCES

Advertisement for the Post of Field Investigators – ICSSR Minor Research Project.

The Tata Institute of Social Science (TISS) is a premier university fully funded by the University Grants Commission (UGC), Government of India. TISS is looking for 4 Field Investigators for its ICSSR-Minor Research Project, titled: Water Stress, Traditional Practices and Current Solutions to Safe and Accessible Drinking Water in a Drought Prone Region.

Under the project, data collection will be carried out in the Bundelkhand region, located in Uttar Pradesh and Madhya Pradesh. The Field Investigators will be required to undertake extensive fieldwork in the area assigned for fieldwork. The positions are for a period of 2 months (extendable up to 3 months) and carry a consolidated monthly emolument of Rs. 20,000.

Indian national with good academic record, and a MA degree in any social sciences discipline with a minimum 55% marks are eligible to apply. Preference will be given to the candidates who are resident in Uttar Pradesh and Madhya Pradesh. Interested and eligible candidates may submit their applications on the prescribed application form by mail, along with a CV. The prescribed application form is available with this advertisement.

The filled in form should be sent to bundelkhandwater@gmail.com with the subject line 'Application for Field Investigator.' The application form is annexed to this advertisement. Last date for application is March 1, 2024. Applications that are submitted after the deadline will not be considered.
