

23 May 2019

Dear Students,

TISS is part of the Research study 'Operational Perspectives on Accountability and Learning (OPAL): School Management Models and Social Impact of Schooling in Mumbai and Kathmandu in collaboration with University of Bath, UK and Tribhuvan University, Nepal. The study examines the relationship between school management models, multi-stakeholder accountability and learning outcomes. The field of study is Mumbai and the quantitative data collection in 28 schools is to start in July 2019.

We are inviting applications for the post of Research Investigators from PhD first year and second year students.

Position: Research Investigators

Qualification

PhD first year and second year scholars (in academic year 2019-20) who are not receiving any kind of assistantship/ scholarship/ fellowship from Government or TISS or any other funding agency. Candidates with Masters Degree qualification may also be considered.

Job Description

No. of positions-10

Duration- 2 months

Honorarium- Rs. 25,000/- per month.

Brief about the work:

- Primary data collection in schools from Class 4 students, teachers, head teachers and parents in Mumbai.
- Data entry, cleaning and submitting the data collected in the required format.
- Any other related works.

Required Skills:

- Good communication, observation, documentation and data collection skills
- Basic information about qualitative and quantitative research methods.
- Fluency in Marathi would be appreciated

Last date for submitting the application is 19 June 2019.

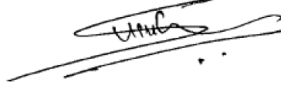

The interested students can mail their brief CV along with Mail id and contact no. to Gayathri Krishna <gayathri.krishna@tiss.edu> with cc to Dr. Swati Banerjee <sbanerjee@tiss.edu> and Prof. P.K. Shajahan <shajahan@tiss.edu>.

We will shortlist the candidates and get in touch to discuss the next steps.

Best Wishes,
