Walk-in Interview

FOR THE POSITION OF "CONSULTANT"

in the Project "Climate Resilient Agriculture in Maharashtra" (PoCRA)

Tata Institute of Social Sciences (TISS), **Tuljapur Campus**, in collaboration with the Project Management Unit (PMU), PoCRA, Mumbai invites application for the position of a **"CONSULTANT"**. The Consultant is expected to conduct capacity enhancement needs assessment (CENA) exercises and workshops with Stakeholders. She/He is also expected to develop modules and manuals for CENA workshops to prepare capacity development plans and designs in accordance with CENA findings for particular identified stakeholders or groups. The selected candidate will be engaged as a consultant for a stipulated period of time and is required to deliver the above outputs through an MoU signed with TISS, Tuljapur. She/He will also be required to visit extensively the field areas, in the concerned districts of Marathwada and Vidarbha regions for conducting consultation meetings and workshops.

Key Responsibilities: Preparation of methods, procedures and design for CENA workshop, preparation of questionnaires for stakeholders consultations, facilitation of workshops & preparation of modules, manuals and training plans.

Educational Qualification: The applicant should have a Bachelor's (B. Sc.) / Master's (M.Sc.) or a Doctorate (Ph.D.) or equivalent degree in Agriculture Sciences from recognized Institution or University.

Essential Requirements: Applicant should have proficiency in Marathi, Hindi and English languages with good inter-personal communication skills. It is desirable that the candidate possess atleast 5 years experience in the relevant field. She/He is also required to write detailed reports in English.

Honorarium / Remunerations: The selected candidates/consultant will receive Honorarium @ minimum Rs.3000/- upto maximum Rs.5000/- per day (depends on inputs given by Consultant). We have a provision for 2 Consultant throughout the project period, as specified in the MOU and the approved budget of PoCRA Project Agreement with TISS. The consultancy days have been defined to a maximum range of 45 days per consultant, throughout the project tenure.
